various fields to expand the opportunities in the research, especially translational research and industrial collaboration, besides the development of human resources to face the future challenges & the cooperative relationships between the two institutions.

It also includes the exchange of ideas on research publications, academic programs and research projects and promotion of technology, incubation and startups”.

Such programs may include any or all of the following activities:

- I) Encouragement of study by qualified students, both graduate and undergraduate, of each party of order;
- II) Exchange of faculty and researchers;
- III) Promotion of collaborative research in areas of mutual interest;
- IV) Development of short-term academic and training programs
- V) Participation of jointly organized academic meetings, seminars, and workshops;
- VI) Any other areas which the parties agree are in their mutual interest.

ARTICLE 1: Scope, Goals and Forms of Cooperation

The signing institutes agree to provide opportunity as appropriate for the following activities towards the completion of the objectives of this MoU:

- I. Exchange of ideas with the objective of offering course and realizing research projects in areas mutually agreed upon by both parties through prior invitation and in accordance with the procedures and expectations established by each institute and specific department.
- II. The First party will provide research guide and support in various fields as on the demand of second party for conducting research related to the thesis dissertation requirements of the research students.

ARTICLE 3: Exchange of Information

- I. The term "information includes scientific or technical data results and/or methods of investigation, and other information intended to be provided, exchanged, or arising under project descriptions entered into pursuant to this MOU.
- II. The parties support the widest possible dissemination of information. Each party in joint projects shall be given the right to use, disclose, publish or disseminate such information for any and all purposes.

ARTICLE 4: Implementation of the Memorandum of Understanding

- I. It is understood that the First party and Second party subscribe to the principle of equal opportunity and do not discriminate on the basis of state, race, sex, age, cast or religion. Both the institutions shall abide by these principles in the administration of this agreement and neither party shall impose criteria for exchange of scholars or students, which violate principles of non discrimination.
- II. Students and research scholars may visit the corresponding departments of the institute after finalizing a mutually acceptable schedule.
- III. All the expenses shall be the direct responsibility of the student concerned (subject to any agreements on payment arrangements made by either institution with its own students).
- IV. The researchers will be allowed to make use of the instruments and other research facilities available in various departments of these institutes after prior approval of the visiting schedule and due approval from Heads of both Institutions.
- V. Both parties promote research and realize collaborative projects giving priority to interdisciplinary works.

ARTICLE 5: Terms and Conditions

- I. This MOU shall become effective from the date it is signed by the parties and shall be valid for five years from the date of signing. This MOU may be amended by mutual written agreement and may be terminated at any time by either party upon written notification signed by the competent authority of the party initiating termination. Such notification must be given to the other party at least six months in advance from the effective date of termination.
- II. All joint activities not completed at the expiration or termination of the MOU may be continued until their completion under the terms of this MOU.
- III. No amendment or modification of the MOU shall be valid unless the same is made in writing by both the parties or their authorized representatives and specifically stating the same to be amendment of the MOU. The modifications/changes shall become part of the MOU and shall be effective from the date on which they are made / executed unless otherwise agreed.
- IV. Financial terms and conditions will be decided mutually as per needs of both parties. This MOU will be considered only for academic and R&D purposes only by both parties.

ARTICLE 6: Arbitration

- I. Any issues that are not addressed or stipulated in the MOU shall be discussed and resolved through negotiation in good faith and such resolution will be incorporated as written amendments to the MOU by mutual agreement between two Parties.
- II. No disputes are foreseen in the implementation of the MOU. The two Parties, however, agree that if any dispute arises between them, efforts will be made to settle the same as amicably as possible. If the dispute still remains
